ShiftCool Cuff

Cooling comfort. One for each wrist.

Lightweight, reusable wrist cooling / reflective fabric / matching pair

01

Premium outer fabric

Durable, sweat-resistant fabric designed for repeated use.

02

Cooling gel

Sealed gel core provides local cooling with nothing to refill.

03

Flexible fit

Open, contoured shape wraps around the wrist for easy placement.

04

Soft inner lining

Smooth, skin-facing material supports comfortable contact.

01 / FREEZE

1-2 hours in the freezer.

02 / WEAR

Place one cuff around each wrist. Check comfortable fit.

03 / REFREEZE

Follow care instructions and refreeze between uses.

THREE COLORWAYS / SILVER REFLECTIVE FABRIC

CHARTREUSE | SAFETY ORANGE | DIGICAMO

TWO-PIECE SET

One matching pair

2 cuffs in one colorway. A companion to ShiftCool Neck.

Concept assumes the existing Postgame Ice materials and cooling construction. The 1-2 hour preparation time is a baseline. Final cuff fit, cold flexibility and use instructions require Rituo confirmation. Cooling duration varies. Reflective accessories are not certified PPE. Use with required PPE and site heat controls.
